# CVR's 50<sup>th</sup> Anniversary Gala Event

Friday, November 6, 2009

Mark your calendars for this very important date. This year, in place of the traditional annual meeting, we are planning to hold a truly extraordinary social event to celebrate the ability of CVR and its members to successfully exist and grow for 50 years, half a century, into one of the premier regions of the Porsche Club of America. The dinner/dance event will be held at the Aqua Turf Club which is conveniently located right off I-84 or Route 691 in Plantsville, CT. For those of you that have attended an event at the Aqua Turf Club know, and those of you who haven't will find out, this is a first class banquet facility in terms of room layout, presentation, fine cuisine, and service. There will be ample parking, lighting, water displays, and fountains (weather permitting of course).

The event will include a sit down dinner, music by a live band, dancing, open bar, auction, 50<sup>th</sup> anniversary souvenir, and the drawing of the winner of the CVR mega raffle of the half century, an all expense paid trip to Germany for two. Updates will be forthcoming through the Challenge and the website as the event develops and more details become available. An order form will be available on the website and in the Challenge for ticket reservations including your choice of entrée. Ticket price is \$50.00 per person, and reservations must be purchased in advance, as tickets will NOT be available for purchase at the door. We are anticipating that there will be over 300 people attending this event, so be sure to order your tickets early. You can also get together with your friends, and reserve a table(s) in groups of ten (10). For most of us this will be a once in a lifetime opportunity to attend a CVR event of this magnitude.

What better way to enjoy an evening, than with 100s of Porsche enthusiasts, a delicious gourmet dinner, a beautiful facility, music, dancing, and an extraordinary raffle prize. There is no other way to culminate a fantastic half century of CVR activities! We are looking forward to seeing you ALL there.

For more information about any of the Special Events, to share your suggestions and comments, or if you like to get involved, please call us at (860) 628-8697 or contact us via email [specialevents@cvrpca.org](mailto:specialevents@cvrpca.org). Remember, it's not just the cars, it's the people like you that make CVR successful and fun.
