

Car Club Day at the Hunt Club

As many of you would recall, the last year's **Car Club Day at the Hunt Club** in Westport, CT was a huge success and fun event hosted by Fairfield County Concours with very strong CVR participation. I am pleased to inform you that once again we will offer a Saturday Club Day along with free two-day general admission (two per car) for each member of the first 50 Porsches exhibited. The Saturday Club Day is a People Choice event and is not a judged concours.

Attached is the registration form for your early completion. Please register during June/early July to avoid last minute coordination and rush. All registration for first 50 cars will only be accepted by post mark via snail mail, not email. Again, you must exhibit your Porsche on Saturday to receive the two day free general admission pass for two people and event is available for first 50 respondents. Otherwise you will not be displaying your car and will need to pay general gate admission.

Below is a description of the CVR programs with the deadlines. Both days' events will be held at the **Fairfield County Hunt Club, 174 Long Lots Road , Westport , CT.**
