

TSD RALLY SEPTEMBER 25th

Our second TSD rally will take us through some of the southeastern part of the state. The meeting point will be in the parking lot by the Marlborough Tavern and will end in Old Saybrook where we can have lunch at the Penny Lane Pub. I will need registrations to be in by 09/18 so that I can give the restaurant a headcount. We will be providing coffee and doughnuts at the start plus have a small Rally 101 meeting. Beginners class only and I encourage you not to worry about the maths unless you really want to try! The last rally we had a first timer take the #1 spot! We will hold this event in most weather unless it is severe so please provide an email address when registering for updates. My cell phone is 860-319-3360 in case someone needs to contact me verbally. Thanks and see you there!
