It's not just the cars, it's the people.

## **2013 Tech Tactics East**

Tony Hatter, Porsche AG designer extraordinaire will be the feature speaker at Tech Tactics on February 23 & 24 in Easton, PA. He was not only the lead designer on the 993 but also the new Cayman, which will be on display.

Other PCA speakers include John Paterek, Mike Levitas and Jim Newton. PCNA technical trainers will discuss the Cayenne diesel and C4 technology. Michelin Tire, Bentley Publishing and ClearPlex (Windshield protectant) will round out the field of speakers to provide an exciting and informative day.

Continental breakfast, box lunch and a commemorative t-shirt are included in the registration fee of \$50. Registration is open and can be completed through [motorsportreg.com](http://motorsportreg.com).
