High Peaks Resort,
Lake Placid, New York - September 19 - 21, 2014

This year our fall tour will be based in Lake Placid New York. When we chose this location we wanted to keep the distance to the hotel within four hours for most participants and a place with some new roads. We were not even thinking of the Olympics but looking for some other activities for those who might come up a day or two earlier to enjoy. We chose the High Peaks Resort as it at the end of the main street with views of Mirror Lake and Whiteface Mountain. Lake Placid has hosted the winter Olympics twice, in 1932 & 1980. Lake Placid made history as one of only three cities to host two Olympic games.

That history and heritage continues today with many Olympic sites available for the public to visit, and in some cases

experience, the actual events. The Gondola to the top of Little Whiteface, the Bobsled track, curling and ice skating

are some of the events that are open to the public. The village is quaint and has many shops and restaurants and is a nice walk.

The High Peaks Resort started as a bed and breakfast in the 19th century. They added rooms and begain welcoming visitors to their inn called The Homestead. Thomas Roland bought The Homestead in 1922 and expanded it until they became affiliated with the Hilton chain in 1980.

Our timing is to be just ahead of the leaf peepers but we will have a lot of color on our drive. Our tour will take us through the mountains on some very scenic roads and open driving roads.

Our tour will end in Lake George where we will be enjoying lunch aboard "The Saint" touring Lake George. Lunch will be a hot and cold buffet and a band for those who want to do some dancing and get some excercise. We will have a separate area aboard the boat and separate parking on the pier which will be guarded. This weekend is also the annual Lake George Hot Air Balloon Festival and we should have some wonderful views of the balloons.
