

## Rally

*It's not just the cars ... it's the instructions.*

It's time to get registered for the CVR Fall Rally, which will be held in Eastern CT on Sunday, October 15<sup>th</sup> starting in the Town of Pomfret (The Bakers Dozen on Route 101) and rallying through parts of Eastford, Scotland, Hampton, Chaplin to the Town of Ashford (Midway Restaurant on Route 44) during the peak of our fall color season.

This rally will combine the best of the several types of gimmick rallies we have run over the past 5 years. First, the rally will be a Poker Run wherein each team will get a playing card (in a sealed envelope) at each of several checkpoints. The envelopes will then be opened at the finish and the teams with the best poker hands will win prizes. Secondly, on one or two legs of the rally teams will be given photographs of locations along the rally route (not necessarily in the order they will be encountered) to identify. Points will be given for each correctly identified photograph. Thirdly, one or more of the legs will be have gimmicked instructions with coursemarkers placed along the rally route. Some coursemarkers will be worth positive points, and some negative points – the positive ones will be seen by teams that have interpreted the instructions correctly. Finally, one leg of the rally will be a completely “free zone” on the best scenic roads we can find, so you can just relax and enjoy the view.

Please register using the registration form below. We should have plenty of room for participants at the finishing restaurant for this rally, but early registration helps us in planning the rally and knowing how many copies of things will be needed for the number of teams. We also will likely have 5 checkpoints which have to be staffed ... let us know if you would like to staff one (which is a great way to find out how rallies work without actually having to drive one).

See you in Pomfret this fall!
