PORSCHE

The first **Porsche 356** was produced by Austrian company Porsche Konstruktionen GesmbH and road certified on June 8th, 1948.

Please join us on June 17th for the 45th Annual Connecticut Valley Region (CVR) Concours d'Elegance presented by Hagerty Classic Car Insurance.

This year's event will feature a special historic display celebrating the 70th Anniversary of the Porsche 356.

We cordially invite all 356 owners in the Northeast to participate in our display. All other Porsche owners are of course invited to participate in our annual People's Choice Concours. This years event will feature:

Eleven or more Peoples' Choice Porsche classes.

- Based on pre-registered Porsches, we will divide the cars into competitive classes.
- All models and years of Porsches are encouraged to participate.

The 'My Other Car' group, which is open to any non-Porsche.

- This group always attracts cool and unusual cars, whether they are a daily driver or another weekend cruiser, we welcome all makes.

The 'Ernst Benzien Patina Award' winner, who will be selected by the Concours Chairs.

- This special award will be presented to the participant whose car is very original and shows patina from use, much as the late Ernst Benzien kept many of the Porsches in his impressive collection.

Please contact CVR's Concours team or check the CVR website for more details on how to participate.
