

Presenting

The 1st CVR 'Big Porsche' Driver Education Sampler

When: **Saturday, August 5th**

Location: **Lime Rock Park**

Time: **10:00 AM – 2:00 PM**

How to Register: **ClubRegistration.net**

For the first time ever, CVR will have a DE session for PCA members (18 and older) that have wished to drive their 'Big Porsche' on track: Cayenne, Macan, Panamera.

This event will follow all the regular guidelines of a Driver Education event:

1. Register and pay \$100 on **ClubRegistration.net** – registration opens June 22, 2017
2. Have your vehicle teched at an approved Tech Facility:
<http://www.cvrpca.org/docs/de/tech-inspectors-2017.pdf>
3. On the morning of the event, you must register, sign a waiver and get a wristband.
4. After registering, you will bring your car through the Tech Line.
5. We will have a Drivers Meeting for all 'Big Porsche' participants, discussing what to expect, how the session will be run, safety procedures and everything else you need to know, to be safe and have fun.

Every student will have an instructor in their car, for the 30 minute session. Helmets are required and we have rental helmets available (\$30). Helmets must be SA2010 (M is also acceptable) or newer. Long pants and closed-toe shoes are required. You do not need special driving shoes – low profile sneakers are fine.

Bring your family and have them watch you drive the Historic Lime Rock track. Guests are always welcome to a CVR DE (for free). Unfortunately, due to PCA rules and insurance

regulations, no passengers will be allowed in the on-track vehicles.

There is a snack bar on site, for lunch or snack purchases. Or, bring your own food and have a summer picnic in one of the viewing areas. We are excited to be able to offer this DE Sampler to our 'Big Porsche' members. We hope that our members are just as excited to be able to take their 'Big Porsche' out onto the race track.

If you have any questions, please send an email to **cvrdevp@cvrpca.org**
