

CVR and TireRack Affiliation

CVR has entered into an affiliation with TireRack that will benefit our members.

It is a natural fit of TireRack's favorable pricing and resources for making an informed decision on the purchase of tires, of which there seems to be countless choices, along with our members' need for the correct tires, not only for our Porsches, but also on our other vehicles as well. When you, your family or friends shop for tires using the link on the CVR website, they will be going to the TireRack site for pricing, extensive technical information and product reviews. CVR will get a commission from TireRack for every purchase initiated using the link on the CVR homepage. The commission income will provide CVR with funding to help cover the cost of services provided to our members.

A brief overview of shopping at TireRack:

You shop online from a huge selection of tire manufacturers for cars, trucks, trailers etc. and all sorts of other automotive gear such as wheels, lighting and wipers.
