

## **Second Annual Hoffman Top 20 Driver's Championship**

**Friday October 25<sup>th</sup>, 2013**

Hoffman Porsche will be sponsoring a driver's championship celebration at the end of the season. Rules will be the same as the 2012 season. Points will be given at events 1 thru 7 of the 2013 season to drivers who are PCA members and driving their Porsche. The driver's best 4 events (highest points) will count towards the final points tally, so driving at all seven events will increase the possibility of more points. Full rules and points system are under the Rules section on the CVR AutoX main page.
