

## 2017 AutoX Loyalty Program

The comradery and competition of CVR AutoX is only possible because of our loyal members that drive all season long. To thank these members and entice more drivers to keep coming back, we are continuing the AutoX Loyalty Program in 2017. The more events you attend during the 2017 season, the more loyalty gifts you get!

For 2017 we want to maximize your comfort and fun, so the Loyalty Program is focusing on items to keep you cool and relaxed!
