

You can help us prevent this. . .

www.survivethedrive.org

. . . with a click on your computer.

Education is our best way to prevent these heartbreaking tragedies. [SurvivetheDrive®](http://www.survivethedrive.org) is a school program aimed at teen driver safety. This is violence prevention.

By simply voting for [SurvivetheDrive®](http://www.survivethedrive.org), you can help us win a \$50,000 grant from Pepsi so we can extend our program. It costs you nothing. Just click here to vote:

<http://www.refresheverything.com/how-it-works>

This is a Pepsi community service project.

Voting starts April 1st, then vote as often as you can—once a day—throughout April. And please forward this to friends. If you're on Facebook, Twitter, Myspace, LinkedIn, spread the word. The more widely this is distributed, the more people will be voting repeatedly.

We've made presentations to 10,000 high school students over the past year. You can help us do more. Please vote—and vote often. Forward this to your friends. Check out our website: www.survivethedrive.org.

Once again:

<http://www.refresheverything.com/how-it-works> Just click on it.

SurvivetheDrive is a 501c(3), not-for-profit educational organization.

Thank you!
